## "Brotherhood" - A Trap For Christians

### National Conference Of Christians And Jews

The season is upon us when the National Conference of Christians and Jews will be sponsoring BROTHERHOOD WEEK ??? February 16, 1964. Every communication media (television, radio, newspaper, magazines, etc.) will blast all America with this certain brand of "BROTHERHOOD" which they, the NCCJ, have manufactured. Is it true BROTHERHOOD, the Christian brand—or has again so-called organized Christianity been persuaded to adopt an impossible concoction of an impossible organization, the NCCJ, with the hidden design to destroy true Christianity, and to melt into one mixed race all the God given races of the earth?

Let us examine the NCCJ and its brand of "BROTHERHOOD."

"Let our friends do the work. We must always remember that one sympathizer is generally worth more than a dozen militant communists. A university professor who, without being a party member, lends himself to the interest of the Soviet Union, is worth more than a hundred men with party cards. A writer of reputation, or a retired general, are worth more than five hundred poor devils who don't know any better than to get themselves beaten up by the police. The writer who, without being a party member, defends the Soviet Union, the union leader who is outside our ranks but defends Soviet international policy, is worth more than a thousand party workers. Those who are not party members or marked as communists, enjoy greater freedom of action. Our friends must confuse the adversary for us, carry out our main directives, mobilize in favor of our campaigns people who do not think as we do, and whom we could never reach. Particularly, we must use ambitious politicians who need support; men who realize that we communists can clear them a path, give them publicity, and provide them with a ladder. Such men will sell their souls to the devil—and we buy souls."

You have just read a quoted directive by Georgi Dimitrov, Comintern leader, 1938, as published in "The Yenan Way," by Eudocio Ravises, pp. 256-6 (Scribner's, New York, 1951).

The astounding statement quoted above was made in secret sessions held by the Comintern in Moscow, and was NEVER MEANT TO BE PUBLICIZED. It constitutes a powerful indictment of that group of subversives operating in this country, which has hitherto enjoyed an immunity from attack as subversives, because of the restricted nature of the accepted definition of subversion. We therefore, propose a definition of subversion based upon this directive. Let us call it "The Dimitrov Citation."

Does the NCCJ activities serve the purpose of this "Dimitrov Citation"?

The NCCJ, founded 1920, given its present name in 1928, without doubt, has done more damage to the established traditions of Christian understanding in this country than any other single group in American history. It was spawned by the B'nai B'rith and, as a creature of that international BLOOD BROTHERHOOD, has worked assiduously, not for the "brotherhood" it diabolically propagates as a pseudo-religious movement and

substitute for true Christianity, but for CONTROL, absolute and unrestrictedly, OVER THE MINDS AND, THEREFORE, BODIES OF THE INNOCENT CHILDREN OF OUR LAND, who are led down the path to Hell by its brainwashing techniques, now spread throughout America's educational systems.

To accomplish this Satanic aim, the NCCJ, with its myriad tools, has mercilessly utilized the services of willing sycophants, miserable misfits, gullible do-gooders and communist-fronters in unbelievable numbers; recommended and, in many cases, sold publications written by Communist Party members and sympathizers; cooperated with communist organizations such as the National Student Association; used every possible "target" method to breach the wall between TRUE Christianity and the world of atheism, agnosticism and humanism.

The facts presented herewith should be used by aroused Christians to ALERT their own religious leaders (and friends) to the true nature of the NCCJ. Protestants and Catholics who insist on supporting the NCCJ in your community, should be made aware of these facts by direct action on your part to expose the NCCJ through local Chambers of Commerce, local newspapers and all civic organizations who would reject the practices that are exposed herewith.

One big step towards truth is found in a mimeographed 87-page document entitled "The Story of the NCCJ" by Robert A. Ashworth, dated March 1950. It is nervously labeled "Not for public use." In the interest of "brotherhood" we feel that its contents should be brought to the attention of the public. We read:

Purpose (Article 2 of the By-Laws):

"... the National Conference exists ... with a view to the establishment of a social order (based on) brotherhood."

It is now certain the House, under pressure from Johnson, will vote on the Civil Rights Bill perhaps in a matter of days. Every possible effort will be made to railroad it through. It is most urgent every patriot bombard his Congressman with letters, telegrams and phone calls, protesting the passage of this treasonous Bill.

Ashworth traces (partially) the "impulse" from which the NCCJ grew; he wrote that this was "the organization within the Federal Council of the Churches of Christ in America, of a Committee on Good Will Between Jews and Christians" in 1923. The Communist-complexion of the FCCC and the straight Party-line propaganda of its Information Bulletin, has been so well exposed by other sources, that we feel no need here to explore that subject.

There is another source of information as to the genesis of the NCCJ, which refers to earlier events—the Universal Jewish Encyclopedia, Vol. 2, p. 257, under NCCJ:

"The Federal Council of Churches of Christ in America—sponsors the NCCJ . . . a movement was instigated the day before Christmas 1920 . . . a manifesto was directed particularly towards overcoming propaganda (Dearborn Independent agitation) circulating in the U.S. and elsewhere, accusing Jews of a conspiracy to foster communism and to destroy Christianity . . ."

By 1938 the NCCJ had committees in 1150 communities and Round Tables (chapters) in more than 100 cities. It was in this year that the name of the organization was changed from National Conference of Jews and Christians—to NCCJ (reversing the order.)

### CHILDREN AT THE MERCY OF NCCJ

The NCCJ incessantly parrots a phrase "Children are born without prejudice—you can help them stay that way." Hardly is it possible for a more imbecilic-appeal to idiocy to be concocted. Children are also born without teeth, the ability to speak, write, walk, or read, without control of bodily functions, without a moral sense, and are utterly defenseless and completely dependent upon adults for their very existence. Implicit in the expression of this puerile slogan, is the belief that infantilism is to be PREFERRED to maturity! The NCCJ is not content to "turn back the clock" by forcing adults who are brought under the regimen of its propaganda, to retrogress their attitudes to the infantile level; rather, the NCCJ much prefers to work with the child—divorced from parental control—so as to suspend and then block out his perception of his unique differentness from all other children.

Theresa Mitchell (The Brooklyn Tablet, Aug. 2, 1958) in an article entitled "Group-Centered Culture" brilliantly exposes this pernicious practice. She points out that "The child is an object of admiration to the progressive educationists only so long as he conforms to the ideas and activities of the group. If he differs with this collective organism, if he is truly an individualist, then he is 'maladjusted.'"

"The progressive educators are anxious for the child to express his own ideas and his own individuality—so long as his own ideas conform to those they've tried to indoctrinate him into accepting. They are insistent that he must have the right to protest, to rebel against set patterns of behavior, or to criticize model and moral standards—so long as he doesn't rebel against or criticize theirs."

She reminds us that there is a "natural tendency of the individual to conform to the

## "Brotherhood"

—o— Continued from page 1 —o—

group. Conformity is fostered by simply encouraging the child to take the way of least resistance (which) very often will be what the group is doing, or what the group approves of, good or bad." Because of this tendency "the approval or disapproval of the class is a ready-made and terrible weapon with which to enforce such discipline as the progressive teacher thinks expedient." Further, "Human beings do not have a collective conscience or a collective mind. When 'majority' becomes a god, moral principle goes out the window. Thus, it is a grave mistake to assume that there is no 'discipline' under the aegis of progressivism. It is the regimentation of the 'group mind' from which pupils need to be freed. The criterion for right is not majority vote.

"WHEN THE CHRISTIAN TEACHER GOVERNS THE PUPILS IN HIS CHARGE HE SHOULD NOT THINK OF THEM AS A 'GROUP' AT ALL. THEY ARE SEPARATE AND INDIVIDUALS—TO BE MOLDED, TO THE BEST OF HIS ABILITY, INTO 'OTHER CHRISTS.'"

Now let us turn to an NCCJ pamphlet "Education in a Transition Community," by Jean D. Grams, Asst. Prof. of Educational Sociology at Stanford, which deals with the "problems" to be faced by school administrators and others when a community has decided to integrate its schools (more properly, when integrationists so decide).

On page 15: "The school is a great socializing institution. Here children learn to get along in the group . . . (p. 23). It has appeared that man, the social animal, needs to feel a part of a group."

One of the deadliest obstacles to integration is the competitive instinct and recognition of pupil achievement. How many gullible parents realize just how far along the path of Marxism their school boards have traveled? In discussing ways of avoiding racial tension in elementary schools on and after the opening day, including "group-planning activities, group sharing," the pamphlet gets down to pure Marxist planning; "School authorities should avoid, during the first weeks of school, the added threat of achievement tests, spelling matches, choosing teams, oral recitations and memorizing, and speed and time tests of all sorts. These kinds of situations have the elements of public failure or public rejections, and can emphasize the lack of some and the differences among groups." (p. 74)

Re-read the above recommendation carefully. It proves, once and for all, what the prime objective is of the NCCJ, the NEA, the progressive educator, the marxist. It is certainly not education, for this is quite impossible under the conditions enumerated above.

Anyone who has read this far, will be rewarded for his interest if he will secure Sen. Nelson S. Dillworth's 16th Report of the California Senate Investigating Committee on Education. Part II of this splendid 290 page report deals extensively with sociometry, psychodrama, and allied teaching methods, and the persons and forces pushing such techniques.

"Human Relations and Audio-Visual Materials," another intergroup pamphlet in NCCJ's series, was written by Jean Grambs, and is a pretty dry recital of how best the teacher may reach the inner mind of the child with motion pictures. Grambs rather brazenly praises the Anti-Defamation League's film "The High Wall," which is so bad even the Catholic War Veteran's (N.J.) attacked it as "pink" (and then recanted under pressure in a matter of hours.); Julien Bryan's work in this field (Bryan's Communist-front affiliations are startling in their implication); a book by the cited Communist-espionage front, the Institute of Pacific Relations; recordings issued by the cited Communist-front, and creature of the ADL, the Institute for Democratic Action. Grambs wrote "A Guide to School Integration," Public Affairs Pamphlet No. 255. Such pamphlets were cited as "pro-Communist and pro-Socialistic" propaganda in TAX EXEMPT FOUNDATIONS, Part I, p. 31.

## CUM FILES

Another source of information on a collateral aspect of brainwashing in the public schools, is an article in *American Mercury* (Oct. 1958) entitled "Secret Cum Files—A Leftist Wedge." This article deals extensively with the cumulative (cum) files currently in use in 69,000 schools, files which contain data accumulated secretly by teachers about the student and his parents, from the kindergarten level on. The use to which these files are being put is a violation of the 4th amendment, which forbids "violation of the right of the people against unreasonable seizures, searches, and warrants." Pupil personnel files (now called cum files) are usually subject to personal inspection by parents—as first on the list of those so allowed by state education codes. In practice, however, parents find they must resort to legally-enforced demands to secure this right.

What is in the cum files? What is the connection of the NCCJ with them? Cum files contain pictures of the student from childhood to manhood. IQ ratings based on the degree of conformity of the child to the progressivist regimen and to group-processing, mental health ratings, out-of-school experiences, post-school activities, including marriage, civic activities, and change of address. They contain extensive data on the psychological problems and reactions of the child; anecdotal gossip or induced revelations by the child, of private family matters; finally, complete dossiers on the parents, drawn from parent-teacher conferences. "Manuals instruct the classroom teacher how to draw out the parent conversationally, and how to report revelations culled during the interview." ("Secret Cum Files.") Dual sets of files are kept in some schools—one public, one secret. Fear of libel suits, in part motivates this procedure. When the school recommends that a child be separated from the parents because he is "mentally retarded," i.e., unresponsive to brainwashing, the parent may face a bitter legal fight to

keep his child from being placed in an institution or foster home. But even worse, a spokesman for the U.S. Department of Health, Education and Welfare called for laws to separate children from parents, so that they can be reared in institutions or foster homes.

Those persons who may legally inspect such cum files, include government employees (whether communist or not), public or private guidance or welfare agency investigators, mental health spokesmen, educators. (This, of course, includes NCCJ-oriented educators and investigators.)

It is quite revealing and coincidental that most recommended books for reading by the NCCJ and available through their local offices are the same identical books by the same authors as are recommended by the Communist Workers Book Shop. There are many methods by which the NCCJ and its adherents may attempt to evade the implications of the massive evidence that is available against them. One is to state that the content of the books recommended by the NCCJ is what counts, not the affiliations of the authors. However, is anyone so stupid as to presume that the Communist Party's Workers Book Shop would sell books that do not follow the Communist Party line, or recommend authors not sympathetic to its position?

Just in one list examined, 28 titles sold by the Communist Party's Book Store were the identical titles recommended by the NCCJ. Thirty-Eight authors were recommended by both sources! Eight of the authors listed, are known Communist Party members.

These are the books that NCCJ, through its church and school activities, are asking you and your children to read, accept and pattern their lives after—books that promote communism. Here is the type of reading matter and teaching material that has produced the "Brotherhood" of racial conflict that confronts us all, day by day, in newspaper headlines—the kind of "Brotherhood" that undermines Christianity—the kind of "Brotherhood" that bans Bible reading and prayer from our public schools—the kind of "Brotherhood" that works to outlaw discipline in the public schools—the brand of "Brotherhood" that turns public schools into "Blackboard Jungles" of pupils that are immoral, dishonest and brutal, with teachers legally tied to do nothing about it. This is where the intoxication of "rock & roll" takes over from education's Three R's and higher educational goals that these lead to.

There is today, as has always been the case, a real need for the promotion of a true spirit of Brotherhood among men to promote the plan of the Creator. This was Christ's mission upon earth—to promote a Brotherhood among men that would glorify God, recognize Him as Creator of All, and result in the saving of each individual soul. He did not teach "The Brotherhood of Man" where man takes over from God. He taught the "Brotherhood of Christ" and "The Fatherhood of God" only for those who accepted, believed and worked to relieve human suffering and bring others into that "Brotherhood" and that "Fatherhood" that satisfies instead of the NCCJ "Brotherhood" that

turns propagandized groups into howling mobs with irresponsible demands for privileges without respect.

America was founded upon Christian principles by Christian men, the freedom of individual worship, and a Christian Brotherhood that built a great nation. Now at every turn all Americans, young and old, are urged to melt themselves into an impossible NCCJ Brotherhood of brainwashed groups, without the freedom of individual thought under the threat of group exclusion; thus to bring about a society that recognizes only man and his achievements, without regard for the plan and design of God.

Which philosophy of "BROTHERHOOD" will you adopt and personally practice? You have a choice. The "BROTHERHOOD" of the NCCJ that works daily to destroy Christianity, to mix the races, to forget God, and to make of your child a conformist to whatever is offered without regard to good or evil. This is the man-made "BROTHERHOOD."—OR there is the age old and God given "Brotherhood of Christ" that says:

"Blessed are the poor in spirit, for theirs is the kingdom of heaven.

Blessed are the meek, for they shall inherit the earth.

Blessed are they who mourn, for they shall be comforted.

Blessed are they who hunger and thirst for justice, for they shall be satisfied.

Blessed are the merciful, for they shall obtain mercy.

Blessed are the pure of heart, for they shall see God.

Blessed are the peacemakers, for they shall be called the children of God.

Blessed are they who suffer persecution for justice' sake, for theirs is the kingdom of heaven.

Blessed are you when men reproach you, and persecute you, and, speaking falsely, say all manner of evil against you, for My sake. Rejoice and exult, because your reward is great in heaven; for so did they persecute the prophets who were before you. But woe to you rich! for you are now having your comfort. Woe to you who are filled! for you shall hunger. Woe to you who laugh now! for you shall mourn and weep. Woe to you when all men speak well of you! In the selfsame manner their fathers used to treat the prophets . . ."

#### ROLE OF REV. EVERETT R. CLINCHY

The Reverend Everett R. Clinchy figured very prominently in early efforts to foist the Brotherhood "Big Lie" on an unsuspecting public.

We re-print the following from CURRENT BIOGRAPHY, 1941:

"Dr. Everett Clinchy was born in New York City in 1896 of Scotch Presbyterian parents . . . . 1928-33 was secretary to the FEDERAL (now National) COUNCIL OF CHURCHES OF CHRIST IN AMERICA. Originated "Seminar conferences" for the study of Catholic, Protestant and Jewish relations . . . . to the Reverend Clinchy religious liberty "is the keystone of democracy". . . . In 1918 he was in France—a member of a field artillery unit; . . . he came out of the war bitten by the brotherhood idea."

How badly Reverend Clinchy was bitten is indicated by his tour of the European continent in 1933, with Rabbi Lazaron and Dr. Leiper pleading with Germans and others for cooperation of Protestants, Catholics and Jews against the so-called Nazi hatred doctrine.

The following statement of his from page 269 of the UNIVERSAL JEWISH ENCYCLOPEDIA indicates what he TRULY had in mind.

"The organization (THE NCCJ) IS CHANGING THE PATTERNS OF INTER-CULTURE CONDUCT IN THE UNITED STATES WITH DEFINITE APPLICATION TO THE FIELD OF CHRISTIAN AND JEWISH RELATIONS."

While Reverend Clinchy was busy touring Europe promoting Brotherhood, Samuel

## PAST AND PRESENT OFFICERS OF NCCJ

Dr. Lewis Webster Jones, President of the National Conference of Christians and Jews.

Dr. Everett R. Clinchy, First Pres. of National Conference of Christians and Jews.

Untermeyer, speaking for world Jewry, made his famous world-wide economic boycott speech at Amsterdam, quarantining German goods to starve Germany. Was it cooperation with the Untermeysers for which the Reverend Clinchy pleaded? Was he listening when Untermeyer referred to the Jews as the "aristocrats" of the world? If so, Rev. Clinchy must have known this meant only the goyim should change, certainly not the "aristocrats"!

In other words, "Brotherhood" obliges only the Christian. The "Aristocrats," the "Destroyers," as Maurice Samuels called them in his book "YOU GENTILES," who claimed the Mosaic law has never been equalled, go on forever.

#### ABOUT LEWIS WEBSTER JONES

Dr. Lewis Webster Jones, who appeared at Little Rock just at the appropriate time to promote "Brotherhood," is another traveller out to get the world on the bandwagon. The following excerpt from the New York Times, Nov. 21, 1961, refers to his six weeks tour of Europe and Israel. What can we

expect from an organization with such thinking at the helm? We quote:

He asserted that "most of the people with whom we talked (outside of Germany) believed that the division of Germany had to be accepted as a fact and many doubt the long-run viability of West Berlin."

A Bishop of the Evangelical Church in Germany maintains, he stated, that Germany will remain divided and that "the real hope, in the long run, is for "more humane" East German leaders and that communication between the two Germanys will be "slowly re-established."

Dr. Jones commented that the view of this "conservative German churchman again pleaded against the dangers of too black-and-white categories; people close to the scene know that countries behind the Iron Curtain are not the monolithic Communist structures we sometimes imagine them to be."

"It is necessary to distinguish shades of gray," he declared.

## PRESIDENT JOHNSON'S STATE OF THE UNION MESSAGE INVISIBLE GOVERNMENT PROGRAM

In California the government aided the ranchers by providing water. It then issued orders that if the large ranchers wanted water they would have to cut their ranches down to 50 acres. Thus it became control, dictatorship. Johnson says that aid does not necessarily mean dictatorship, but in fact it does.

When Johnson offers aid to us in education, jobs, homes, work, transportation, health, etc., he is really calling for dictatorship on all these areas of our lives. It lays the foundation for the communist take-over when we must have permission to go, be told how long to stay; where to live; as in the Soviet Union where to work, and under our communist commissars there will be no pay for the government will "withhold" all and "dole" out according to "merit." When a worker drops from exhaustion, he will be whipped and left to die.

Johnson calls for Civil Rights passage. This Bill sets up the framework for dictatorship by appointing commissions everywhere in the country. Under it a criminal or drunkard may come to your door for a room. If you refuse him, he can go to the commission which may decide that you have discriminated; they can foreclose the mortgage on your home so you will lose it, your business may be closed; you may lose your job, be sent to jail or to an insane asylum. You will have no redress, no trial by jury. It will be "do" or ELSE.

You say this is extreme. The fact is that once the framework is set up, it will be stretched to suit their evil purpose. Some emergency will be created. You will be under communist dictatorship. The communist Jew or his Christian stooges who will gain control of our country under the Civil Rights Bill

Lyndon Baines Johnson

will be glad to do these things to you. Conscientious hard-working job-holders and good business men will be reduced to homeless beggars. If Gus Hall is dreaming of the hour when the "last Congressman is strangled to death on the guts of the last preacher" what will he do to you? Remember that in the "PROTOCOLS" it is said "we" will wipe Christians off the earth. It has started by taking the Bible out of our schools, and Christ out of our lives.

The Civil Rights Bill is treason. It destroys States Rights, property rights, trial by jury rights, freedom of choice rights. It destroys the Constitution. This is treason.

It destroys our American form of government, is a weapon of the communist conspiracy to overthrow the government. It sets up the framework for dictatorship. This is treason.

## JOHNSON'S MESSAGE

—o— Continued from page 3 —o—

Johnson calls for elimination of "pockets of poverty." Ever since the New Deal came in we have heard of the "forgotten man," the "underprivileged," the "ill-housed," "ill-fed," "ill-clothed."

Stalin said that "good words are a mask for evil deeds." While our government has charmed us with these good words, let's look at the evil deeds it has perpetrated down the years. It has transformed the Soviet Union from an unrecognized blot on the globe to one of the greatest threats the world has ever known. We have given her billions by way of foreign aid, given her our money plates and the atom bomb. We have helped her enslave one-third of the world population using good-sounding words of "freedom," "democracy," "independence," "neutrality," "coalition," etc. We are now maneuvering to turn South Viet Nam and Panama over to communism.

Most important of all, make no mistake about it, your government is now in the act of SELLING THE AMERICAN PEOPLE OUT to the Soviet Union by "peace through surrender." Using the good words "We do not intend to be buried," it is performing the evil deeds which will make our burial inevitable! To keep us from recognizing these evil steps it talks to us of humanitarian ideals of all sorts. It has been doing this for years. Won't Americans ever wake up to it?

It also bribes us to give them our votes to keep the traitors in power to complete this task of treason. It has bribed labor by giving these men unearned and unjustified salaries, plus so much of the profits and control of industry that private enterprise is fighting for survival. This is covered by the good words "You never had it so good." It has bribed the farmer by paying him not to plant, then raising the food prices. It has bribed the Negro by giving them jobs for which they are not qualified, by keeping thousands on the dole, and by false lure of Civil Rights. It has bribed the military and government workers by constant increases for coffee-break jobs. They are bribing the youth by youth corps jobs, bribing the elderly by promises of medicare, and they hope to bribe all elements by the tax reduction. The billion dollar slush fund to buy the votes of the poor and ignorant in eliminating "pockets of poverty" they

think will clinch the deal. Re-elect them and within one more year they can complete Khrushchev's work of conquest for him. We have been and are now selling our birthright of freedom for a mess of pottage.

At first we won't realize what has happened, but they will tighten the screws. There will be a "night of terror" as planned, or some crisis will be manufactured such as the assassination of President Kennedy to cause national confusion. The Executive Orders will go into effect, millions of patriots and intellectuals will be murdered, hauled to concentration camps or insane asylums. It will cost millions of lives more to subdue America. The Administration, by word of a presidential advisor "is willing to kill twenty million white men to integrate America," and there will be plenty of Asiatic barbarians (Chinese) and other communist savages to do the dirty work.

With communists in control of our government, gone will be the fat feather-bedding pay, fat subsidies for farmers and big jobs and doles for Negroes. Labor will be told what kind of work to do, where, how long and no bargaining for hours or pay. It will be black bread, watery soup and death from exhaustion. They have done these things in other countries, and with America under their heels, there will be no brakes on their terror. Farmers will have their hands and feet cut off and be left to die as in China. Those who survive will starve because every mouthful they keep for their own sustenance will be taken as a "gift for the state." Negroes will be integrated behind barbed wire fences—black and white Christians alike—with teeth kicked in, eyes gouged out, tongue choked out, frozen and starved in the Alaskan and other concentration camps already prepared for "enemies of the government" (you and me).

You say it can't happen here? Go to your library and read Kravchenko's "I CHOSE FREEDOM" — or Noble's "I WAS A SLAVE IN RUSSIA" — Read the facts about the Ukraine, Croats, Poles, Hungarians, and others taken over by communism. They also said: "It can't happen here!"

The much touted "pockets of poverty" will turn into the security of concentration camps which Gus Hall says are already prepared for us, operating with skelton crews!

Our government has charmed us with good words since FDR lulled America to sleep with his Fireside Chats. While we slept the Invisible Government was busy demoralizing everything in this country from our courts, to schools, churches, communications, merchandise, business, food, water, drugs, with morals at the lowest and crime, corruption and delinquency at the highest,—witness the Democratic white-washing of grand jury criminals and the treason of our wheat deal with Russia!

Johnson calls for elimination of our present immigration laws. These good words will mask the evil deed that will enable communists to flood the country with ease; and do it legally.

The scum of Eurasia will flood America, to do the dirty work for the Jews who will direct all from behind the scenes. Black and Whites will murder each other; Christian will kill Christian until Christianity is almost wiped from the face of the earth. And the only one who will profit from this bloodshed will be the agents of Satan who planned all this in the first place, and they alone will profit from the ammunition and supplies sold to BOTH SIDES, and when enough blood is shed, the real rulers of the nation will come forward for all to see. And when it is all over, who will be the victor? The Whites? The Blacks? The Protestants? The Catholics? The only ones who will profit from such a conflict will be the Jews who will carefully remain behind the scenes and pull the strings for Whites, Blacks, Protestants, Catholics, and do-gooders of every variety.

To summarize, Johnson's message calls for dictatorship disguised as aid, for destruction of our government disguised as "Civil Rights," for surrender to Soviet slavery

disguised as peace, and further flooding of the country with communists and non-whites who will aid our annihilation.

The true State of the Union is this: we are now half-way behind the iron curtain because of the Disarmament Act, Executive Orders and Test Ban Treaty. If Civil Rights, the gestapo, observation posts and complete disarmament are passed we will be completely behind the iron curtain without firing a shot in self-defense. That is why Khrushchev calls 1964 the "year of decision."

## Bobby Kennedy and C.I.A.

It is interesting to learn an aggressive Congressman, Clarence Cannon (Dem. Mo.) is pushing a thorough investigation by the House Appropriations Committee of the International Committee on Counter-Insurgency, headed by Attorney General Robert F. Kennedy, although the nominal head is Under Sec'y. of State U. Alexis Johnson. This is the program that combats subversion and revolution in foreign governments. This also covers the C.I.A.

Large sums have been spent on South Vietnam, Dominican Republic and Honduras according to the Allen-Scott Report, Newark Star Ledger, Oct. 15, 1963: "In each of these government overthrows the U.S. financed and trained special police either did nothing or were wholly ineffectual."

According to the same report, what the House investigators mainly want to know is the reason for Bobby Kennedy's "exceptional interest in, and domination of, the counter-insurgency program in view of the fact that it operates abroad and largely in the military field." They want to know the nature and extent of his activities in the counter-insurgency program, already a pathetic failure in Honduras and Dominican Republic.

They also want to know: "Who makes the decisions and on what basis? What reports if any have been compiled. . . . who gets them and what is done about them if anything."

Let's encourage Congressman Cannon to thoroughly investigate the counter-insurgency program.

## PATRIOT IN NEED!

Dr. Bella V. Dodd, former communist and key government witness, is reported bed-ridden after a long period of hospitalization and without personal finances to meet exorbitant hospital bills. In view of the distinguished patriotic services rendered by Miss Dodd since her rejection of communism in 1949, we urge friends to assist Miss Dodd in her hour of need. THE TABLET, 1 Hanson Place, Brooklyn 17, New York, has agreed to accept contributions in her behalf. Anyone wishing to help this patriot may send contributions to THE TABLET, c/o Bella Dodd Fund.

The pamphlet, "Anti-Semitism, a Phoney Bogey" suggests one basic cause for the peculiar, treasonable softness on Communism in contrast to the vitriolic hatred in press and government towards former national socialistic Germany and fascist Italy. Also for the treasonable incongruity that so many publicity agencies and elements in the government still itch to fight World War II, but keep appeasing Soviet Russia, Red China, and Red Cuba! And still slyly try harder to keep Germany divided than to get the Iron Curtain out of Europe and the Captive Peoples liberated!
